Dear Co-worker:

The regular monthly meeting of the Executive Committee of the N.J. Urban League will be held Thursday evening April 12, at 8 o'clock, in the League Rooms.

I am sending herewith, the plan of work of the organization for next year and also the Budget. This had to be prepared and ready for the Budget Committee of the Welfare Federation by April 15.

You will note that preparation is made for the building up of the staff to what it was before the industrial depression hit us 2½ years ago. If our program is to be carried out successfully this personnel is the least possible number. There is too, a provision made for the taking over and operating a building which shall be used exclusively for recreational and dormitory purposes for our young men. The lack of such a place is generally recognized as one of the greatest social needs in the city. I hope you will look over this carefully, and come prepared to make suggestions as it must take its final form by April 15, and be in the hands of the Budget Committee.

We are counting on your prompt attendance Thursday evening, April 12, 8 o'clock.

Yours truly,

CARL BANNWART
Chairman Exec. Com.

L. B. ELLERSON
Secretary.
